

Lincoln Mark VII 1984 - 1992 Air Dryer Maintenance and Renewal

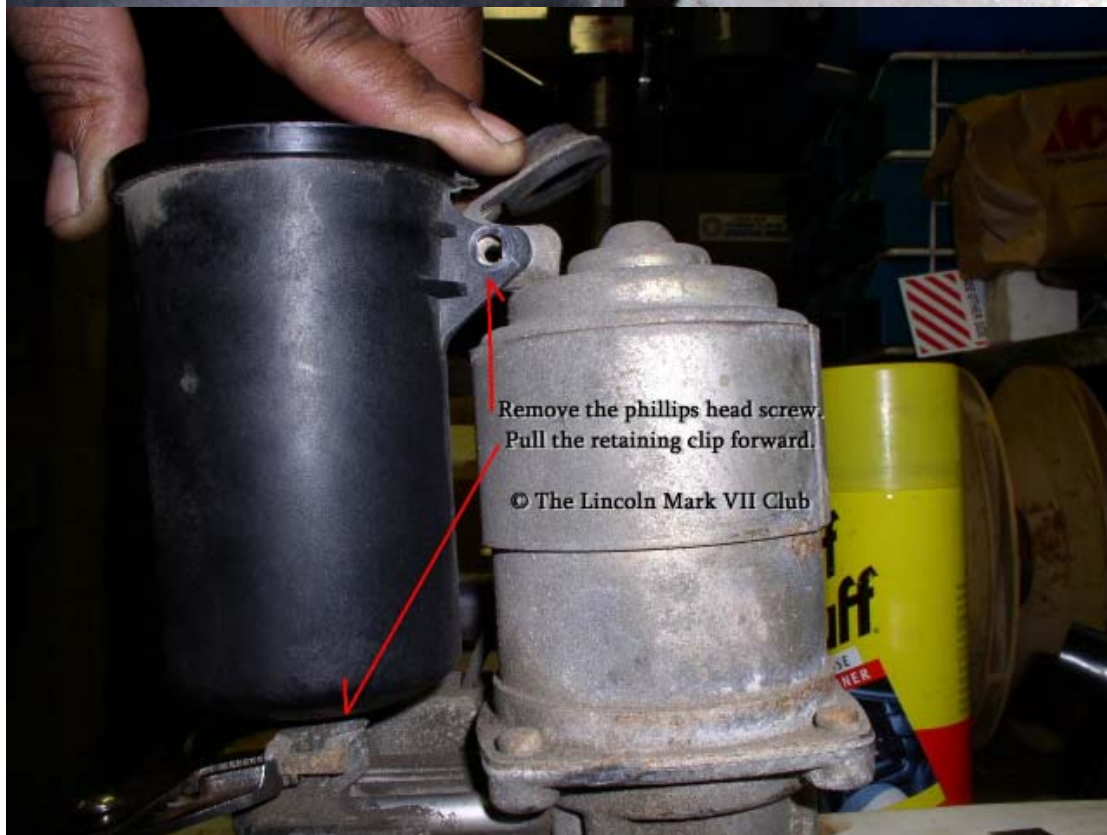

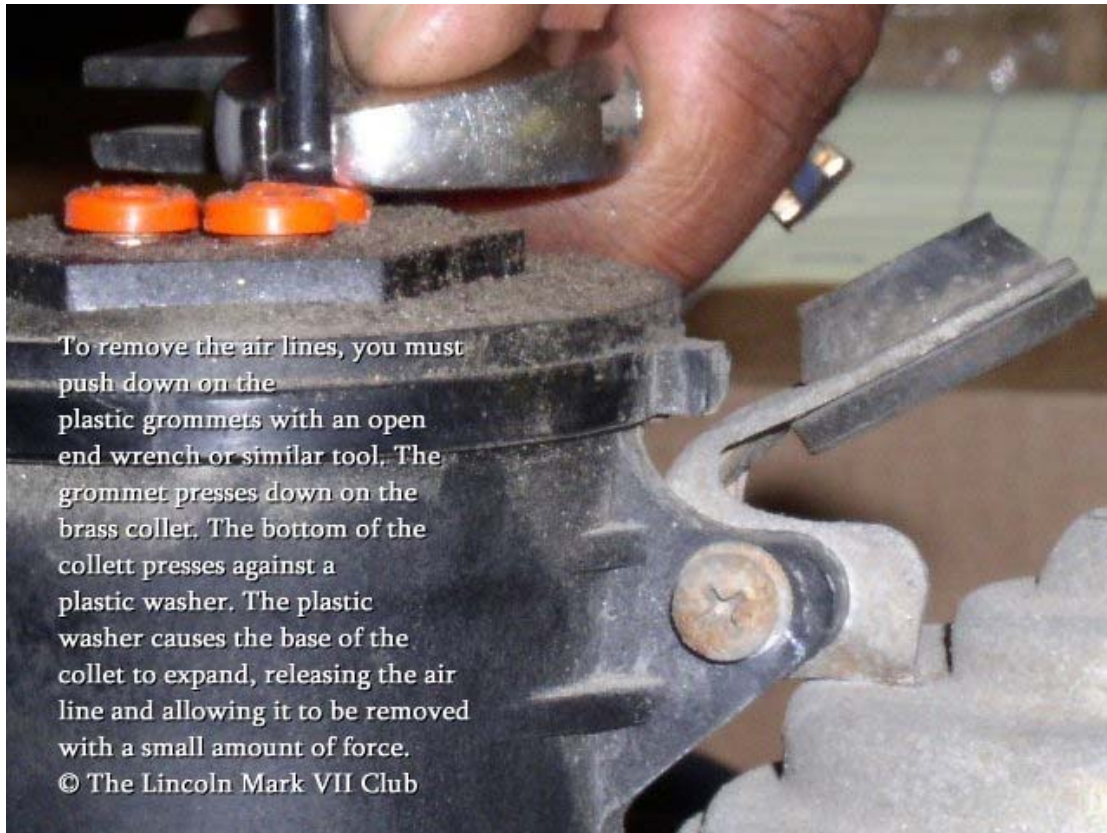

© The Lincoln Mark VII Club, Inc

A Special Thanks To Ken (BlueGrass), The Most Knowledgeable Mark VII Owner In History

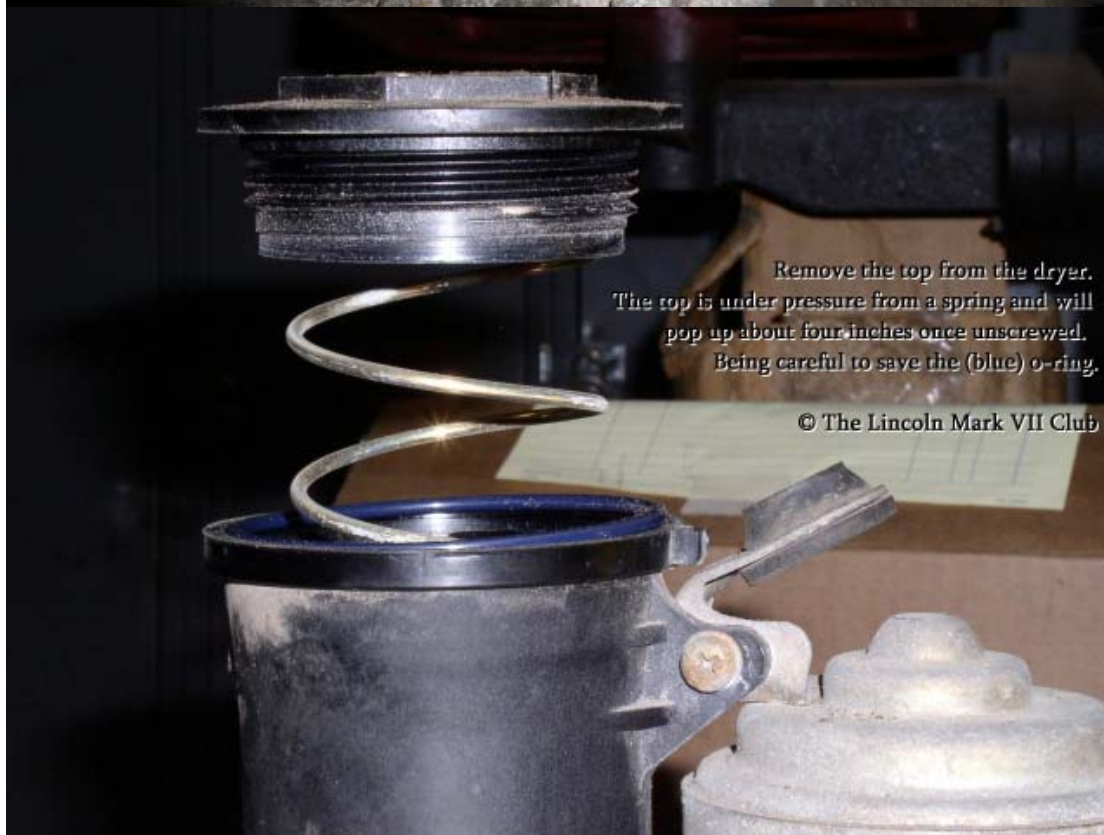

Turn off the suspension switch.
Disconnect the battery.

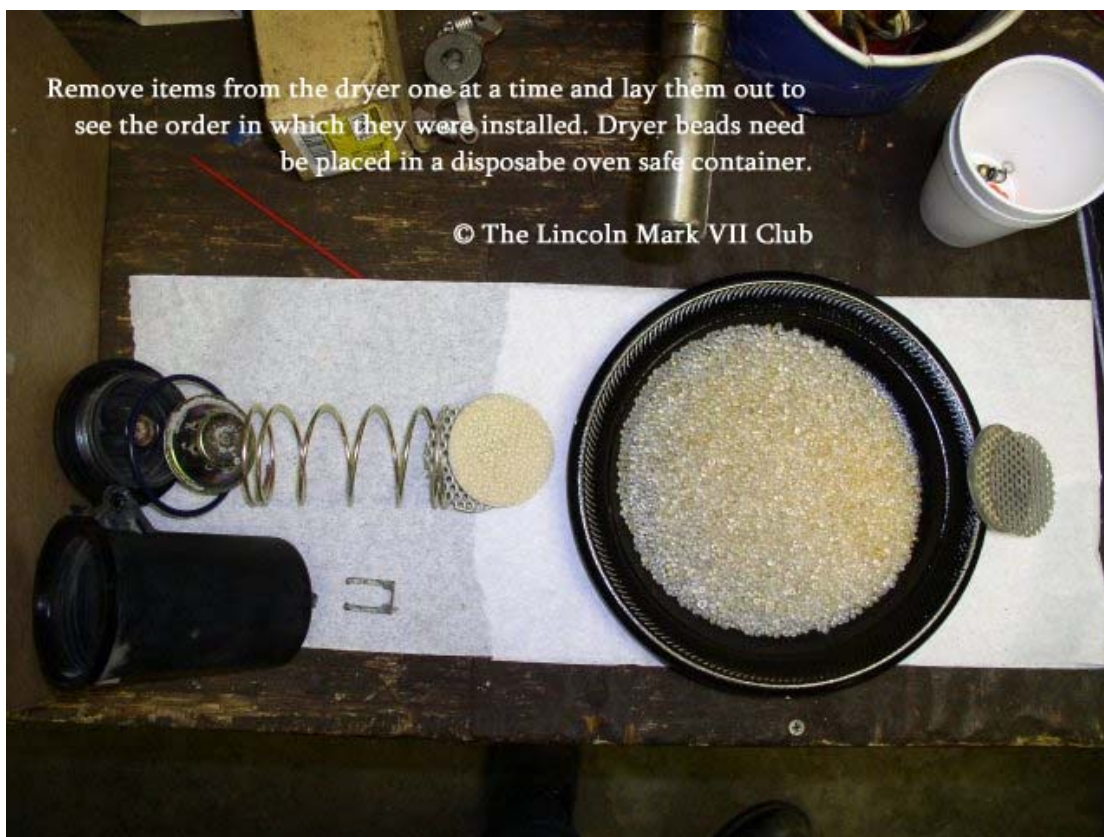

AIR DRYER MAINTENANCE AND RENEWAL

AIR DRYER MAINTENANCE AND RENEWAL

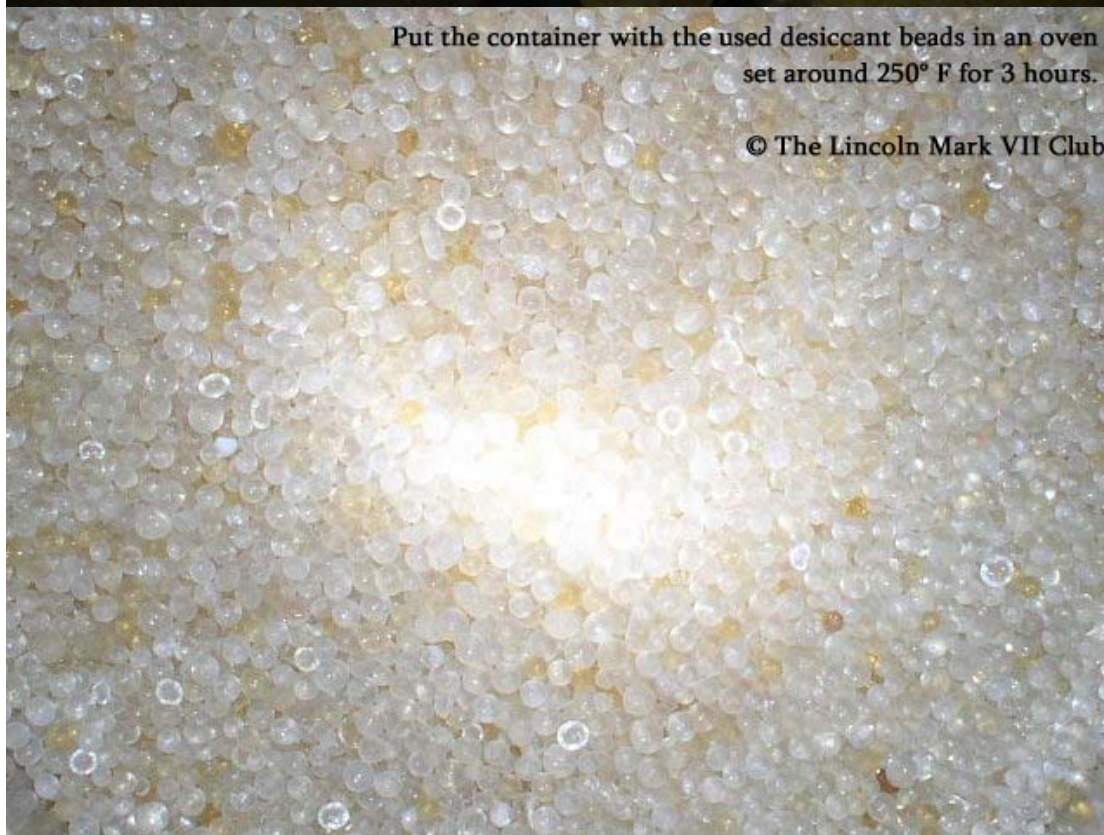

AIR DRYER MAINTENANCE AND RENEWAL

Remove items from the dryer one at a time and lay them out to see the order in which they were installed. Dryer beads need be placed in a disposable oven safe container.

© The Lincoln Mark VII Club

Put the container with the used desiccant beads in an oven set around 250° F for 3 hours.
